THE ACTOR PREPARES (FOR ZOOM)

Three sessions:

Tuesday afternoons 1:00 PM - 2:30 PM – January 19, February 16, March 16

Instructor: **John Alvarez**

This is the class for the person who, after seeing a person perform on stage or speak to a crowd, says, "I could do that." Well, now you can! This class will explain, demonstrate, and allow students to perform basic acting techniques. Normally, a class would be held with other students in the room, intimidating to folks who may fear "acting" (speaking / reading) in front of people. However, due to Covid-19, you will be home in front of your computer, giving you a fourth wall between you and your fellow classmates. Build confidence and learn basic tricks of the acting trade, including proper breathing to support your voice and a few theater terms, like "Break a Leg," and the term "Fourth Wall," two sentences ago. Fun exercises will help you understand why actors do what they do.

HOORAY FOR HOLLYWOOD: *CRIME DOES PAY...IN HOLLYWOOD*

Two sessions: Wednesday afternoons 3:00 PM – 4:30 PM - February 3, March 3

Instructor **Sharon Harris-Zlotnick** returns to discuss how Hollywood's movie studios portrayed crime on the big screen. Stars like James Cagney, Edward G. Robinson, Humphrey Bogart, and Al Pacino got their big breaks playing iconic villains on film. Learn how censorship codes of the early 1930s changed crime movies, and enjoy clips from some great films over multiple decades. We may be able to discuss actors who were allegedly affiliated with organized crime.

RULE OF LAW 2021: RELEVANCE AND SIGNIFICANCE OF SOME OF OUR U.S.CONSTITUTIONAL AMENDMENTS

Three sessions:

Wednesday afternoons 1:00 PM – 2:30 PM - Jan. 27, Feb. 24, March 24

Instructor **Bill Subin**, a Retired Attorney with over 50 years of experience, former Federal Prosecutor in N.J. and Washington, D.C., and former Adjunct Professor of Criminal Justice at Stockton, will lead discussions on 2021 Constitutional controversies affecting all of us, and the history and interpretations of Constitutional Amendments by the Supreme Court:

- "Due Process of Law"
- "Equal Protection of the Law"
- those who come within our borders as Immigrants
- the extent to which Courts are bound by previous cases or "precedent"
- literal interpretation of the words of our Founding Fathers
- "Free Exercise of Religion"
- "Right to Bear Arms"
- "Freedom of Speech or of the Press"
- "Right of the People Peaceably to Assemble"
- "What Amendments apply to the States?"

*We always promote a civil exchange of viewpoints
and try to include timely and relevant controversies within the topic.*
